

**The Anglican Parish of St Aidan's, Claudelands** is looking for a new Vicar. The Parish boundaries include the suburbs of Claudelands, Fairfield, Enderley, Fairview Downs and parts of Chartwell providing a wide range of demography.

Parishioners described our community as: thinkers who enjoy thought provoking sermons, and appreciate liturgical worship. Characteristics of friendliness, openness, support and kindness are valued. Children are welcomed and valued as are all age groups.

We are looking for a welcoming priest who relates to all age groups, who will help us build on our present strengths while also looking for new ways of growing and developing the parish.

The position being offered is either full-time with a limited tenure of three years (which may be extended depending on Parish finances) or half-time without limit to tenure.

The parish does not have a Vicarage. Accommodation, travel, book, and hospitality allowances will be supplied. The parish will also pay for professional development where appropriate.
