

Cursillo - A Short Course In Christian Living

During July, 18 people gathered at the Diocese School for Girls in Hamilton for a fantastic weekend together surrounded by Gods Love. There were inspirational talks, singing, communion, activities, fantastic fellowship and delicious meals. The weekend went perfectly and everyone had a great time. One of the members got up at the end of the weekend and said – at the start I said Lord please send my brother, now I say not the brother, send me as I had a great time.

A few highlights from the weekend can be found on our *Waikato Taranaki Anglican Cursillo* [Facebook](#) page. It has been inspiring to see people growing in faith, leadership and themselves through the weekend and connections together. This growth benefits themselves and the parishes they come from. One of our Lay people at the weekend says she would not have the confidence to take services and lead at their local church if it was not for the confidence and support gained at Cursillo.

Please come and join us next year for three lovely days and nights at Waitomo Village Chalets, running from **Thursday 16 to Sunday 19 April 2026**. Registration forms are required by mid-February to help us book, plan and prepare. **All Welcome.**

On **2 August** at St Johns Te Awamutu we reconnected and reflected on our great weekend in July, with fellowship, worship and BYO lunch together.

On **6 September** we have a Diocese gathering on zoom, **18 October** we are holding a space for people to network and enjoy time together in Piopio and on **15 November** we plan to gather in Waikato and Taranaki for fellowship, caring and sharing. All Welcome.

Please register your interest and email us at **WaikatoTaranakiCursillo@gmail.com** to find out more about the upcoming weekend 16-19 April at Waitomo Village Chalets and other gatherings.
