

Lent Koru

Let's journey towards Easter together...

In te ao Māori, koru are symbols of new life.

*We are using a koru to help us look forward to Jesus' resurrection at Easter
and the new life He offers us.*

*Light a candle to place on today's circle. Read the day's reflection. Finish by
praying, blowing out your candle and putting a sticker on today's circle.*

*Note: During lent we celebrate Sunday's as mini Easters, shown as mini purple
spots. You can gather with your church whānau on these days instead.*
